

Business Support Centre for SMEs

<https://bsc.smebg.net/>

Bilateral Meetings

- (10:15 - 12:15) Morning session
- (13:15 - 15:00) Afternoon session

Description

BSC SME is a non-governmental non-profit organization. Its main purpose is to support the businesses, especially the SMEs in the North Central Region of Bulgaria, and stimulate their development. It drafts strategies, coordinates and complements the activities of other organizations and authorities, assists the SMEs in establishing contacts on local, national and international level. It provides informational, training and consultancy services, as well as implements various EU-funded projects.
