

ATVO. SINCE 1978 AMIDST THE NEEDS AND OPPORTUNITIES NORTH-EAST.

ATVO, foremost urban and suburban transport company in the eastern Veneto area, also offering airport shuttle and tour hire services, is backed up by **over 50 years** of experience in the sector. It boasts a highly modern structure and works to the objectives of quality service, passenger safety and competitiveness in full respect of the environment and of user requirements. Experience and professionalism ensure not only services that satisfy the diverse transport requirements related to daily work, study and spare time activities, but also that every journey is pleasant and comfortable.

Atvo highlights:

- Express transfer from and to Venice and Treviso airports (Marco Polo and Canova) to Venice and Mestre: all 20 minutes from/to Marco Polo and in connection with the flights from/to Canova Treviso.

Transfers are performed with comfortable, air-conditioned coaches, equipped with large luggage space and wifi, available immediately outside the Arrivals halls of the airports, where Atvo staff is at disposal for assistance and information.

The Marco Polo – Venezia Transfer is direct, without any stops along the way, and allows to reach Venice (Piazzale Roma) in only 20 minutes. The best value for price among the airport transfers.

The Antonio Canova – Venezia Transfer, which stops first at Mestre Railway station, is the only transfer from Treviso airport arriving directly to Piazzale Roma, in the heart of Venice. The main stop in Mestre is very close to the train station, national and international railway hub, and a few minutes walk from the new Ca' Marcello hotel district, as well as from the cultural centre M9. Further stops on demand are along Corso del Popolo, next to several other hotels.
